RE: NUMBER OF CLASSROOMS AVAILABLE FOR USE BY THE JUNIOR SECONDARY

In preparation for the roll out of CBC to Junior Secondary the Ministry requested the CDEs to provide a list of the Public Primary Schools which would be used as junior Secondary. It is appreciated because all the CDEs responded.

It has however become necessary that the number of the available classrooms for Junior Secondary in each of the primary school is indicated.

The purpose of this letter therefore is to request you to urgently (by the end of today) indicate the available classrooms for use by Junior Secondary against each school in the attached list. Use **Excel format** with the following columns:-

1. Serial No.
2. County
3. Sub-County
4. School
5. Available classrooms for use by the Secondary.
